

WORLDCARE FOUNDATION

PROGRAM AGAINST POVERTY, UNDERDEVELOPMENT AND SOCIAL FRACTURE (PAPUSF-2026)

ABOUT PLPDFS PROGRAM

As part of its policy of fighting for the emancipation of peoples, the sharing and the eradication of underdevelopment in the world, the WORLDCARE Foundation makes every year available to citizens, social groups or associations of certain preselected countries, funds intended to be invested for the benefit of communities.

The funds thus invested by the WORLDCARE Foundation come from donations from various partner organizations of the United Nations as well as from anonymous donors.

III. TYPE OF INVESTMENT ²• **CREATION**

IMPORTANT : - The resumption of an already existing activity under another name or legal form even accompanied by an additional investment does not give the project the character of creation.

The constitution of the investment from goods already used in an existing activity does not also confer the character of creation.

• **EXTENSION**

IMPORTANT: - The expansion investment is exclusively aimed at increasing production capacities generated by the acquisition of new means of production. The acquisition of additional ancillary and related equipment does not give the investment the character of extension.

• **REHABILITATION**

IMPORTANT: - Rehabilitation consists of operations to acquire goods and services intended to compensate for technological obsolescence or the wear and tear of existing materials and equipment or to increase their productivity.

• **RESTRUCTURING**

IMPORTANT: Restructuring can consist of the creation of an activity either from the merger of two or more activities, or from the splitting of an activity with the creation of one or more others, or the simple modification of the scope of an activity with or without swarming. It is only eligible for benefits if it is accompanied by an investment.
